ABOUT US

Healthy, vegetable-forward fast food

At Wokworks, everything is made from scratch & seared in a wok over high heat. Our wok artisans work in a sensory rich environment of clanking metal, smoke, steam, and jet torch flames. Each bowl is packed with intense flavor, nutrients and a hint of smokiness. It's all about "wok hei", the distinctively complex smoky flavor and aroma that can only be achieved when natural ingredients and intense heat meet in the wok.
